

Delivering together for PEOPLE + PLANET

myunea.org

a user-friendly, moderated, inter-active, online hub hosted by UNEP

to Increase peoples' participation
in the United Nations Environment Assembly

UN-Civil Society engagement is mandated by the 1945 UN Founding Charter...

"We the peoples of the United Nations..."

"Let us build the most
inclusive agenda the world
has ever seen..."

United Nations Secretary
General Ban Ki-moon

"UNEA... where the environmental dimension
of sustainable development is transacted
through the **participation of all** who have an
interest or a role in addressing this issue."

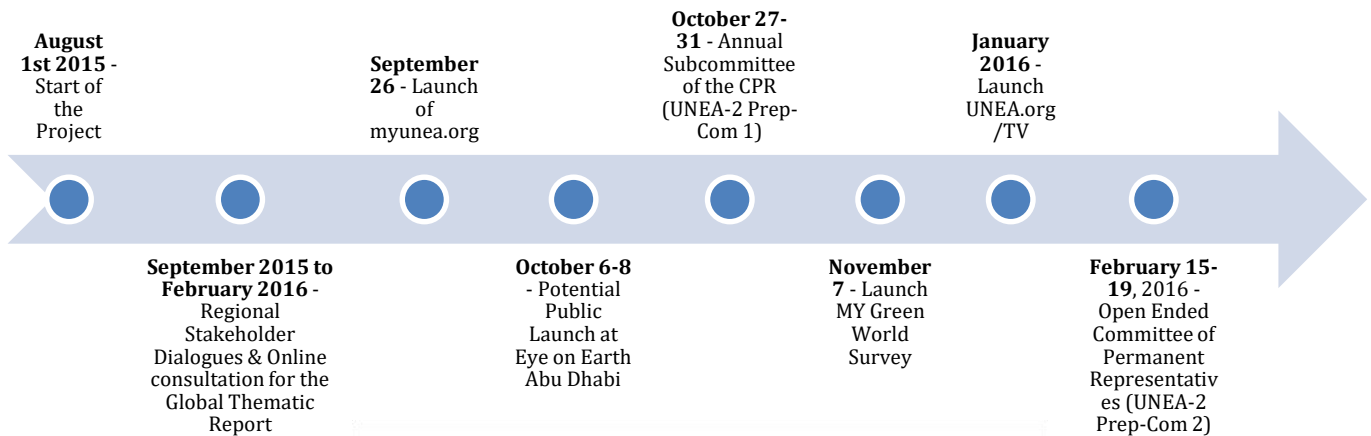

UN Under-Secretary-General and
UNEP Executive Director

SPECIFIC OBJECTIVES

1. Introduce a **visual timeline** in an attractive manner for UNEA.
2. Host **regional and thematic e-discussions** to enrich UNEP's Global Thematic Report and UNEA deliberations.
3. Feature the MY Green World **Global Survey** for a greener world. Allowing for peoples' engagement and commitment to sustainable development solutions.
4. Launch **MYUNEA TV** a multimedia repository for UNEA and Live broadcasting services.
5. Provide a space for **accountability** and **transparency** by disseminating information and allowing stakeholders to track the formal UNEA process, real-time data from UNEP LIVE, and other UNEP platforms.

Delivering together for PEOPLE + PLANET

PROJECT LAUNCH TIMELINE (SHORT-TERM/ AUGUST 2015 – FEBRUARY 2016)

EXPECTED OUTCOMES

1. Increased **engagement** and **ownership** of UNEA. MY UNEA will allow inclusion and social participation that will enrich UNEA outcomes and empower people towards action for people and planet.
2. Continued promotion of **youth engagement** in UNEP decision-making processes. myunepa.org will serve as a platform for mobilization of youth environment advocates through those currently engaged in the Tunza Network.
3. **Multi-stakeholder partnerships** and a **community** interested in UNEP issues. myunepa.org will foster vibrant communities of collaboration towards delivering on the environmental dimension of the SDGs.
4. **Visibility** and **credibility** to UNEP processes. The platform will enhance the visibility of official and informal UNEA activities such as UNEA unplugged, the Global Major Groups and Stakeholder Forum, and multi-stakeholder dialogue during the HLS of UNEA. The platform can also serve as a repository for UNEA3.
